a world beyond your dreams

NEWSLETTER 01/2016

2015 was a wonderful year for us and our passion for Morocco really paid off with La Terasse Rooftop Café receiving an EatOut MERCEDES-BENZ BEST EVERYDAY EATERIES 2015 award. La Terasse Rooftop Café was announced as the WINNER BEST AFRICAN EATERY (GAUTENG)

2016 is now well on its way and our main aim is share Moroccan House and all its worlds with you. We strive to create an environment where our guests can relax and share precious time with friends, family and loved ones.

The launch of our new website is a highlight for the kick-off of 2016. We are now able to showcase our 5 different worlds: Our Guest House, La Riad the function conservatory, Moroccan Imports, La Terasse Rooftop Café and Moroccan décor rental & Catering division to those that have not experienced the magic of Moroccan House yet.

We are currently building new cloakrooms for our patrons and a smoking deck for the ostracised Moroccan House followers who up to now have had no exclusive hangout space in Moroccan House.

La Terasse Rooftop Café now has even more vegetarian delights with our latest creation being a spinach, butternut and spiced nut bastilla (pie), with harissa yogurt, served with a chickpea, celery and mint salad, with cheese shavings. Apart from the range of Moroccan spices, the Deli now stocks even more aromatic teas, and my own infused rose and ginger cordial is lifting eyebrows. We also now stock pomegranate jelly and REAL honey.

After huge public demand to have La Terasse open in the evenings, I have eventually partially succumbed and am going to have a dinner evening once a month on a Wednesday evening! Watch this space for more information.

La Riad is now a highly recognised exotic private events destination, where the Moroccan conservatory atmosphere is relaxed, yet lavishly decorated with fresh flowers, rose petals and flickering candles. If you intend to have a wedding, birthday feast, conference or a Moroccan Cooking Team Building Experience I suggest you check the available dates as soon as possible to not be disappointed as the diary is filling up fast!

Louise my partner and wife is leaving me to look after the kids every third month whilst she is shopping up a storm in Morocco, roaming through the souks sourcing beautiful handmade light fittings, Moroccan furnishings, and clothing. The showroom is currently overflowing with exotic Moroccan Handcraft after the arrival of our latest container at the end of the year. She will be leaving again shortly for Morocco, so if there are any special requests please let us know.

Our Moroccan Guest House currently has a 9.8 rating on Trip Advisor! Take time to read the comments of guests that have stayed over with us. I am thoroughly enjoying myself constantly adding even more elements to spoil our guests.

Moroccan Décor Rental & Catering is now the fashionable way to entertain private or corporate guests, and our presentation is lavish, colourful, fresh and appetising, presented on silver platters and not a plastic take away! So don't slave in front of the stove, or settle for ordinary pre-prepared platters, give us a call and we will customise delicious and beautiful platters perfectly for you occasion.

Until next time...
